Your advertising/enhancement will go live within seven days after you have provided Visit Colorado Springs with the required assets and payment. If you require an invoice, we will provide one upon request. Your first payment will be pro-rated to your next renewal date. Future billings for the full-year amount will be included on your annual dues invoice (with the exception of partial-year Events Ribbon ads and Newsletter ads). If you wish to cancel or change a placement, please notify Visit Colorado Springs staff immediately. We do not provide refunds for cancellations made within a given Partnership term. Your signature confirms that you understand and agree to these requirements.
