Synopsis:

We are looking for extras for a lifestyle photo and video shoot for Sandstone Care's Teen Residential Center in Cascade, CO. Cascade Canyon is a residential center that focuses on substance use and mental health treatment for teens. Photos and video (b-roll) will be produced for website, print collateral, & digital advertising.

Talent

I'm looking for 6-8 young adults (males and females) who can pass as teenagers who feel comfortable being photographed and videoed at the residential center participating in activities such as individual, family, and group therapy as well as yoga, mindfulness, and hiking/equine therapy. **Full day** of filming.

Additional talent needs (Full day)

1 adult female (ages 40-55) to play "mother" to teen

1 adult male (ages 40-55) to play "father" to teen
