Synopsis:

We are looking for extras for a full day lifestyle photo and video shoot for Sandstone Care's Detox Center in Colorado Springs, CO. The rehab center provides medical detox services to those struggling with alcohol and substance abuse. Photos and video (b-roll) will be produced for website, print collateral, & digital advertising.

Talent

I'm looking for 3-4 adults (age 30-55), 3-4 young adults (age 18-30) who feel comfortable being photographed and videoed at the detox center participating in activities such as assessment, individual, and group therapy as well as social activities. There will be additional filming of living space, kitchen, private rooms, etc.
